Community Impact

On January 16th, the Men's Basketball and Volleyball went to Lynn Haven Elementary and visited the 5th grade students. The 5th graders were given the opportunity to ask questions of the student-athletes on the subject of leadership and being an collegiate athlete.

"It was great to see the young men and women from Gulf Coast State College, leading young people down the right path so that they can live a good life"-Coach Powell.

Mary "Roonie" Scovel named Head Women's Basketball Coach

Panama City, FL – Gulf Coast State College is pleased to announce that Mary "Roonie" Scovel has been named the Head Women's Basketball Coach effective January 1, 2015. She has been serving as the interim coach since June 4, 2014 upon the departure of Vernetta Skeete.

At Thursday's regular meeting of the District Board of Trustees, the board unanimously approved Scovel's reclassification as head coach. "Last summer, Roonie was gracious and willing to step in to keep the program

strong," said Dr. John Holdnak, GCSC President. "Ultimately, we determined that no one else even comes close to Coach Scovel's accomplishments. No one else can say that they have won three national championships and earned a record that honestly looks like a typo."

"I am thrilled that we were able to have Coach Scovel return to Gulf Coast," said Dr. Melissa Laverder, Vice President of Student Affairs. "Everyone knows her as an elite basketball coach; however, few know her as the elite educator she is. There are not many people in this world who are more committed to student success than Roonie Scovel. Her former players are incredibly excited that she has returned to their alma mater because of the love they have for Coach Scovel and Gulf Coast. The Gulf Coast family is extremely happy to have her back on campus."
